Boone, IA 50036

## BORON and MOLYBDENUM WARNING:

This product contains boron and molybdenum. Use on crops other than those recommended may result in serious injury to the crops. This product is to be used only on crops which respond to molybdenum. Crops high in molybdenum are toxic to ruminants.

## IMPORTANT NOTICE

Read the entire label. Use only in accordance with the label instructions. Use in conjunction with a normal fertilizer program. SoilNXT is intended as a supplement to a regular fertilizer program and will not, by itself, provide all the nutrients normally required by plants. If terms of Limited Warranty section are not acceptable, return unopened product at once.

## DIRECTIONS FOR USE

**SHAKE WELL** before using. SoilNXT may be applied using any conventional spraying equipment. Do not use with calcium salts. To co-apply with agrochemicals and/or nutrient programs, consult with an AcreEdge representative on compatibility with other spray materials. Apply as directed below. Because formulations of agrochemicals vary, a small test area should be treated prior to large-scale mixing to determine that no phytotoxicity or undesirable effects occur.

## CROPS and TIMING: For use on all crops

In-Furrow: 8-12 oz/acre

Preplant/Pre-emerge Broadcast: 16-24 oz/acre

Side-dress/Y-Drop: 8-12 oz/acre

## STORAGE and DISPOSAL

Store locked up in a cool, dry area out of reach of children and animals, as well as out of direct sunlight during storage for extended amounts of time. Store in original container. Keep container tightly sealed when not in use.

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store at temperatures above 32°F (0°C) and below 110°F (43°C).

Dispose of unused product and empty containers to an approved waste disposal plant in accordance with Federal, State and local regulations.

FOR HELP WITH ANY SPILL, LEAK, FIRE, OR EXPOSURE INVOLVING THIS MATERIAL, CALL (DAY OR NIGHT) CHEMTREC 1-800-424-9300.

## FIRST AID

**If inhaled:** Move victim to fresh air. Seek medical attention if irritation persists. If experiencing respiratory symptoms: Call a POISON CENTER or doctor.

**If on skin:** Wash affected areas with soap and water. Seek medical attention if irritation persists. Wash contaminated clothing before re-use.

**If in the eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor.
